

Code Name: Fountain of Youth (Paperback)

By Bob Jordan

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In 1951, atomic testing began at Frenchman Flat, Nevada. Though safety assurances were made, the devastating impact of nuclear particles drifting into Southern Utah soon became evident as hundreds of civilians mysteriously began to die, while many others contracted various types of cancer. They were referred to as Down-Winders . The states leaders were in an uproar and demanded something be done or they would expose the Atomic Energy s nefarious activities. An agreement was made, and as payment for their sins, the US Government formed a collaboration between Albert Einstein and Astrophysicist, Julian Bleu. Together, they worked on a top secret program: Code Name Fountain of Youth. The project, which took place at a remote government facility in the Arizona desert, was designed to give 24 handpicked US dignitaries, half of whom were Utah political and religious leaders.eternal life! Unfortunately, as the experiment took place, an explosion occurred killing all of the intended recipients. End of story, right? Actually, it s just the beginning. You see, a handful of civilian employees working in the building next door, unwittingly became the recipients...

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Greg Herzog

Unquestionably, this is actually the finest operate by any publisher. I have study and i also am confident that i am going to planning to go through once more yet again in the foreseeable future. I realized this pdf from my i and dad recommended this book to understand.
