As recent history attests, the Euphrates River is drying, a significant event in Bible prophecy that is currently being fulfilled. As we continue on time s conveyor belt into the future, Revelation s message is as timely as today s newspaper. Bible scholar, H. Deborah Shively, presents an easy to understand expository study of the chapters that specifically relate to the times we are living now. Hope in the Storm conveys a consistent theme of victory in the face of the world s turmoil and instability. Understand Revelation in a fresh, new way and face the future with confidence. Hope in the Storm will challenge many conventional interpretations, merely by bringing to light Scriptures that have been overlooked or avoided that drastically affect how we have viewed this most challenging prophetic landscape. - H. Deborah Shively.
