Sixteen Seconds is the distance between a thought and a revolution, between who you were and who you might be. The world didnt end with the extinction of mankind, rather the annihilation of human thought with the implement of a devastating neurological device, relegating the world to darkness, chaos, and war, where its too late to realize something is dangerously wrong with the children; too late to stop the consequences before the future of humanity is forever tainted. When the countrys leaders banned and confiscated the citizens firearms and executed martial law, those in command didnt think twice. When taxes and gasoline skyrocketed and families were left with only the streets, officials lined their bloody pockets and didnt bat an eye. When poverty overran the country alongside disease and starvation, tyrannical rule found a death grip, strangling the heart and soul of a nation and stripping away the human rights of an entire population. Kenneth Ridley has been searching for another like him, someone who shares and understands his special talent; someone who can teach him to control the force of his thoughts. He never guessed the answer would come from Sera, a young girl more powerful than his wildest imagination could conceive. The last thing Ridley intended to do was give away the only defense the broken population had left, but thats exactly what hed done when he organized and trained the others like him; when he sent his unit into battle against the regime and destroyed their facilities. Their raw talents were manifested by Ridleys fine tuning into the ultimate weapons; minds capable of utilizing thought more adequately and effectively than any firearm. Repercussions came swiftly. A new...
