What readers are saying about RULES OF LYING: Absolutely, unequivocally LOVED it . Had me laughing uncontrollably and reading out loud to my co-workers. This book had it all-humor, mystery, suspense, and romance. I can t wait to read the next book in this series I couldn t stop reading on the IPad, it was hilarious. I really enjoyed this writer. She is up there with the top notch best sellers. I can hardly wait to read more from this author. She gives Janet Evanovich some good competition. This book made me laugh, it made me dream, it made me cry (just a little) and made me take a look at myself. A little bit mystery, a little bit romance, a little bit chic-lit, Rules of Lying is a lot of entertainment.
