Where progress is satisfactory, the assistance may be continued for as many months, in university, as the man served in the Forces. If the student's progress and attainments in his course are such that the Minister deems it in his interest and in the public interest, the payment of the grant may be extended beyond the period of service to permit the man to complete his course. However, the grant shall not be continued to any such person who fails in more than two classes or subjects in any academic year, nor to any such person who having failed in either one or two classes or subjects also fails in either or both supplementary examinations next offered by the university in such classes or subjects. Note: Attainments means unconditioned standing in the top 25 (first quartile) of his class on the final examinations on the full work of the year next preceding the year in which his period of entitlement expires.
