Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tips, tricks, angles and opinion on many aspects of greyhound handicapping from Books 4-6 of Eb s Greyhound Handicapping Series combined in one volume. Nine mini-systems and links to greyhound handicapping resources round out this 3 in 1 volume. Book 4: We start with how to handicap 7 dog races and handicapping with pace. Then it s class, what it is and how to find it. False favorites, breakers in route races and an easy and quick way to evaluate speed. Spot plays, of course, a handicapper s best friend and a couple of takes on tips. Book 5: Do you know the difference between dogs that run outside and dogs that run wide? Do you know how to find longshots that win or the little things that pay off big at the track? Ever wonder how to stiff a greyhound? Eb can tell you how. You might rather want to find some puppies that pay off though or learn how to find value in a race instead. Take the \$20 challenge and see if it improves your handicapping and your bottom line. There s a good mix of subjects, all designed to help you handicap better at the greyhound track. Tips, tricks, insight and opinions are what you ll find in this 5th book in the Greyhound Handicapping Series. Book 6: The last book in the Greyhound Handicapping Series starts on the First Turn, talks about weather and stats and revisits the subject of false favorites. What to do when the program is lousy but you still want to play the races is up for discussion and also what to do on your day off from playing the races. Place bets as...
