## DAVE BARRY DOES JAPAN (PAPERBACK)

Random House USA Inc, United States, 1994. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Dave steals the secrets of the Japanese auto industry, here revealed for the first time - for example: they use steel! - and his unsought interview with the head of a powerful governmental organization propels him, despite Dave s disclaimer, headlong into the ranks of today s top investigative journalists (the kind who, as he might say, sometimes physically leave their offices). He admires Japanese manners and subtlety, similar in spirit to his own; remarks on their attitudes toward sex, as expressed in weird comic books; and singles out their attitude toward service, which contrasts neatly with American...
