Xlibris, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Source of Power For several years now I have been in seminary studying God s word focusing on the effects on mankind and the society in which I live. It is very prevalent that the direction we are headed in is not the moral compass of God s way. This is the reason I have written this Theological perspective in the hopes that these words will touch the hearts and souls of those who are in the dark and seeking the light of The Good News. When it comes to power, privilege, and oppression in this country, it is not hard to see the effects it has made on society. This is a great topic at a great time. When you talk about the family, it has been divided into the haves and the have not s. Those who have the economic resources to survive and those that do not. The family is the foundation that God set into place for man to grow through the ages, but in a society, were God has been taken out of the family, dysfunction is the order of day. The attack is not only on the Black family, but also on the White family, Mexican family, and any another race. I have always said that when we went to war in Viet Nam in the sixties, that conflict set the Black community back twenty years. The loss of Black men in that war was huge. Had they returned to their communities they would have made a positive impact on a whole new generation and would have been able to stabilize families and contribute to a positive environment. When you talk about education you can see the effects...
