

Duct Tape Wont Fix This: A Fathers Perspective on Raising a Child with a Chronic Illness

By Russ Illes

Stream~Lines. Paperback. Condition: New. 102 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. One mans truth about the reality of coping with a child who has a chronic illness. This book takes an unflinching look at one mans struggle as he deals with his daughters chronic illness. It is personal. It is powerful. It makes the reader reflect on how society distances males from their emotions, leaving them stranded in their time of need. It is also a call to action to change things -- to encourage men to share their feelings and come together in a movement that celebrates their inner emotional life. Kudos to Mr. Illes for baring his soul in the service of helping others on their journey. Maureen OBrien, PhD Psychologist, Mom and Family Educator, Founder, [www. destinationparenting. com](http://www.destinationparenting.com) An important read for dads who feel theyre alone in times of family crisis and think they need to be solely responsible for holding things together. Theyre not, and they dont. This book reminds us of that. Pete Giove-Fourwinds, Father This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
