NASA SPACE SCIENCE VISION MISSIONS (HARDBACK)

American Institute of Aeronautics Astronautics, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. In order to extend analyses of the scientific objectives, system design, and operations of potential future space science missions, and to identify precursor technology requirements, The National Aeronautics and Space Administration (NASA) has funded studies for a variety of advanced missions - the Space Science Vision Missions. The investigator teams have completed their formal final reports for these studies. The teams were invited to...
