Cornerstone, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. In theory, life for Sam as a stay-at-home dad is idyllic and stress-free. Months of honing his childcare programme have enabled him to run a ship-shape home with productive days spent creating finger-print masterpieces, cooking up organic cuisine and polishing the family silver. In practice, the Holden Childcare Programme has fallen out of favour. Sam s days are filled with tantrums, food fights and undisclosed amounts of telly watching, and he can t help but feel the aching tedium and financial pinch. Even the flattering advances of Jodhpur Mum aren t enough to lift his spirits. But things are about to change dramatically. While Sam s status as a stay-at-home dad goes national via his own hit TV show, WonderHubby, life on the home front quickly spirals out of control .
