For all boys and girls, ages 10 to 14, who like thrilling adventure stories and Nancy Drew/Hardy Boys-type mysteries. Includes glossary of nautical terms. Reviews: Great, fun novel for kids who like to lay in bed at night and read. and I couldn't put the thing down, read it straight through and I'm 73. A mysterious young man turns up at a little fishing village called Crab Creek asking for a ride out to an even more mysterious Island that no one dares go near. Because of its appearance on a nautical map, it was known as Skull Island, or was there another reason for the name? Lights in the old Sutton mansion could be seen going on and off--and there was supposedly no one on the island! Jason Lockwood, the mysterious young man, meets up with a pretty young girl named Wendy Whitecastle and her seafaring uncle, Captain Christopher, a raucous old white-bearded gentleman who lives in a lighthouse on a rocky precipitous overlooking the Atlantic Ocean. The three soon find themselves trying to solve the strange goings-on on the mysterious island. They discover a haunted mansion and below it a huge underground cavern of dripping water and dark twists and turns. They have the adventure of a lifetime on a fishing trawler piloted by a crazy coot...
