SPANISH COMPOSITION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Spanish Composition This book is intended for students who have completed one year of preparatory school work, or one semester of College work, and are acquainted with the fundamental rules of Spanish grammar. It aims to furnish practise in writing colloquial Spanish, and also to afford material for work in conversation. In the Spanish exercises, I have attempted to reproduce the colloquial language of Madrid, and I have included many of the common idioms which constantly occur in conversation. The English exercises are based upon the Spanish texts, but a few new words have been added in each English exercise in order to give greater variety. It should be especially noted that the English-Spanish vocabulary is not complete, and should only be used in the first twenty-four exercises when a reference to the vocabulary is given in the notes. All other words in these lessons will be found in the Spanish texts which precede. For the last six exercises, all important words will be found in the English-Spanish vocabulary. Considerable aid is given in the notes which accompany each exercise. In a number of cases, when an English phrase may be translated in several ways, I have indicated but one translation, in order to avoid confusion, although another translation might be equally correct.
