SHAPER OF STONE

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Devin Symms. I m not from here. Hell, I don t even know where here is. I only know it isn t home. It isn t Earth. I don t know how I got here and I don t know how to get back. I don t even know if I can get back. I ve met some people who seem to want to help. Nice people. Well, mostly people and mostly nice. I wouldn t have made it this far without them. They have magic. Strange magic like nothing I ever imagined. They can make stone come to life. I know it sounds crazy, but I ve seen it. I don t know how it works, but the old man is willing to teach me. There s a problem though. Someone s been killing the wizards, except they don t call themselves wizards. They are Shapers, and the old man is one of the last ones. If I join him, I could be the next target on an insane serial killer s list. It s my best chance to find a way home. Maybe my only chance. I m scared. Book 1 of the Shaper Series.
