Bloomsbury Publishing PLC, United Kingdom, 2013. Hardback. Book Condition: New. 248 x 174 mm. Language: English . Brand New Book. The invasion and occupation of Iraq rank among the most controversial and complex issues in international law in recent history. This volume of documents covers the occupation of Iraq from the planning stages of the invasion of Iraq in early 2002 to the transfer of governing authority to the Iraqi Interim Government on 28 June 2004. The book presents 595 selected documents including the first complete set of all Regulations, Orders, Memoranda and Public Notices issued by the US-led occupation administration of Iraq, the Coalition Provisional Authority (CPA), several of which were never published on the CPA's website or promulgated in Alwaqai Aliraqiya, the Official Gazette of Iraq. Some of these legal acts have shaped the economic and political system of present day Iraq and will be part of the country's legal order for years to come. The book also includes some 120 other CPA and CPA-related documents selected from more than 5000 unclassified CPA documents and received under freedom of information requests lodged in the United States, the United Kingdom, Australia and Switzerland. These documents include instructions and proclamations to the Iraqi people in the early stages of the occupation, organizational charts, internal legal opinions, diplomatic notes, international agreements concluded by the CPA with other States, and numerous internal memoranda for the head of the CPA, Ambassador Paul L Bremer, on legal, diplomatic and political issues. The book also presents for the first time all 235 resolutions passed by the Iraqi Governing Council (IGC) between July 2003 and June 2004. The resolutions as well as many of the 25 other important IGC documents (including various political statements, press releases and decrees of the Council's Higher National...
