Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

It is a comparison of the ministry model as described in the scripture with the one most often in use today. Using the as an allegory the account of David slaying Goliath, the five stones he retrieved from the stream represent the five-fold ministry mentioned in the book of Ephesians chapter 4. The need for members to be built up is considered, as well as how the stones represent the building process. in as much as the Hebrew word for stone means to build. Scripture declares that within the church there are to be five distinct ministries and they are the means by which the church is to be brought to completion (or perfection as used in Ephesians). As the church dispensation comes to the completion of its age, the time for completion is at hand and the time for the restoration of all God ordained ministries is at hand as well. The modern church has had for its basis primarily a pastoral ministry emphasis. This book explores the need to move beyond that model and enter into a more apostolic basis as the Lord prepares it for His return for the bride (church) without spot or wrinkle. The early church using the five-fold model, as recorded in the book of Acts, was said to have turned the world upside down. The modern church has not so much turned the world upside down, but is barely holding its own as far as its influence upon the world that it was sent to reach is concerned. Society is not being turned upside down for righteousness, but is fighting to stave off the...
