This mini-melodramatic masterpiece is sure to be a doorway for your child to love all the classics. Shakespeare is difficult enough in class or watching on stage, let alone trying to teach the stories to children, but as the author's mantra states in the book, there is no better way to learn than to have fun! Kids who have read this have also eventually purchased the entire Shakespeare works, and have completed hero reports on Shakespeare at school. Guaranteed to have you coming back for more! The author, Brendan P. Kelso, known to kids as Professor Peculiar because of his unique and humorous personality, came to writing modified Shakespeare scripts when he was taking time off from work to be at home with his son. It just grew from there! Within months, he was being asked to offer classes in various locations and acting organisations along the coast of California. An engineer by profession, Brendan never thought about writing. But he has always said, There is no better way to learn than to have fun!.
