Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changing the way I believe.

Enter Rudy the Rat and a seven foot tall mugger named, Zip, two denizens of the back alleys of New York. While trying to help Tomi keep his company and deciding between two sexy though flawed men, Annie goes on a wild romp through the fashion and diamond districts of New York with Luther and Luis at her side and two hit men hot on her heels.
