Smith Street Books, Australia, 2016. Hardback. Condition: New. Language: English . Brand New Book. This sleek guide combines the wit of Glenn O'Brien's *How to be Man*, with the style and tone of cult fashion magazine *Fantastic Man*. With tips on everything from dating to careers, it will appeal equally to the twenty-something Urban Outfitters fan as the established career man, who shops at Mr Porter and has his sights set on that corner office. Combining quirky two-colour illustrations with tips, facts and famous quotes, *The Modern Man Guide* delivers serious advice in a witty, cheeky tone - more like talking to your cool best friend than listening to a lecture from your dad. Divided into six key areas of style, grooming, food drink, work, leisure and dating, it's a cheat s guide to everything the modern man needs to be his best. Topics like fashion, career advice or choosing the right wine are often dry and boring. While other men s guides take themselves too seriously and end up turning the reader off, this book engages with it's cheeky, irreverent voice.
