THE COLLECTED ARTICLES OF IDA CRADDOCK (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ida C. Craddock (1857 - 1902) was a 19th-century American advocate of free speech and women s rights. She wrote many serious instructional tracts on human sexuality and appropriate, respectful sexual relations between husband and wife. Aleister Crowley reviewed Heavenly Bridegrooms in the pages of his journal The Equinox, stating that it was: . .one of the most remarkable human documents ever produced, and it should certainly find a regular publisher in book form. .This book is of incalculable value to every student of occult matters. No Magick library is complete without it. These sex manuals were all considered obscene by the standards of her day and mass distribution of Right Marital Living led to an 1899 Chicago Federal indictment of Craddock. She pleaded guilty and received a suspended sentence. A subsequent 1902 New York Federal trial on charges of sending The Wedding Night through the mail ended with her being sentenced to three months in prison. Upon her release, Anthony Comstock immediately re-arrested her for violations of the federal Comstock law and on October 10 she was tried and convicted. She committed suicide the day before reporting to Federal prison. She penned a private final letter to her mother as well as a lengthy public suicide note condemning Comstock, her personal nemesis (both of which are included here).
