

Freehand The Art of Stanley Mouse

By Stanley Mouse

1992. TRADE PAPERBACK. Condition: New. This 118-page trade paperback is a fair introduction to the work of Stanley "Mouse" Miller, best-known for the series of rock posters he and collaborator Alton Kelley created for the San Francisco music hall scene between 1966 and 1968. Like similar books, this one has comments and reminiscences from famous names who worked with the artist, like Bill Graham, Chet Helms, and Howard Hessman? plus a brief forward by Mickey Hart. Mouse himself provides a brief chatty reminiscence of his life from 1956 to about 1972. A longer (9 page) bio/art review is provided by Walter Medeiros, a San Francisco historian of the rock poster movement, but this too peters out sometime in the '70s. However there's a fair amount of art here, mainly from the '60s (48 posters, plus some early '60s hot rod t-shirts) but with a good bit of '70s album cover work (30 plus Grateful Dead portraits) plus some posters and gallery art from the 1980s and early '90s. Book.

Reviews

Comprehensive information for book fanatics. it had been writtern really completely and useful. I am happy to explain how this is the greatest publication i have read through in my very own life and can be he finest pdf for ever.

-- **Virginie Collier I**

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).
