Waking up early on a cold, snowy January day Robert, not yet three years old, eagerly awaited the return of his parents from their journey to Mexico. When only his father returned home, explaining that Robert s beautiful mother -- only twenty seven years old -- had gone to a peaceful place and that we could not go there, Robert was confronted with the greatest mystery of his short life. Unable to either comprehend the words that were spoken nor fathom how he would survive, he found himself living in a very strange land, one he had never known before. Step into this remarkable journey as it unfolds over many years, an epic search for that missing feeling of love that Robert felt he needed in order to thrive and find his own way in the world. Follow the many dramatic events that take place on this monumental search for what is important in life. In Search of Mother Nature will take you deep into the Canadian wilderness by canoe, to distant lands, through deserts, up mountains, oceans, lakes and rivers, into many paths, philosophies, therapies and self-help movements. Finally discovering a real treasure on the coast of Brazil -- looking into the beautiful eyes of an Italian Princess on a sandy beach -- provided the final motivation to continue on the quest for that deep love that had been missing for so long. In Search of Mother Nature is symbolic of...
