HarperCollins Publishers, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Summer, 1940: western Europe has been conquered, and all that stands between Hitler and the invasion of England is the matter of air supremacy. And the RAF.Hitler s top-secret Directive No. 16, July 1940: `The English air force must be beaten down to such an extent, that it can no longer muster any power of attack worth mentioning against the German advance. `Fighter is Len Deighton s thrilling history of the ensuing Battle of Britain - the aerial combat between the RAF and the Luftwaffe that was fought over the summer of 1940. Ex-RAF pilot Deighton has written a balanced study of strategies and tactics that also expertly recounts the development of the aeroplanes that fought each other in the skies - the Spitfires and Messerschmitts - and of radar. Behind the strategies and tactics, and in the cockpits of the aeroplanes, are the men brought vividly to life by Deighton s skill as a novelist.
