Good Books. Paperback. Book Condition: new. BRAND NEW, Quilts from Two Valleys: Amish Quilts from the Big Valley-Mennonite Quilts from the Shenandoah Valley, Phyllis Pellman Good, Imagine raising six spirited kids on a grass farm. Today. That's how I'll test any mama's strength. Dorcas Smucker and her brood live out their days in full view in this collection of musings picking blueberries while watching for bears hoping for angels driving off the nearby freeway moving into the "thousand story house"; enduring 15-year-old Matt's lecture on respect while captive in the car. Then there was the four-week road trip which Dorcas says "My sister-in-law warned me would be like putting your whole family in a bathroom and staying there for three days." Dorcas and her husband Paul are purposeful parents. But they aren't perfect. Dorcas wonders if their marriage can endure when she and Paul can't ever figure out what gifts to give each other. She tries to navigate her mild daughter's development into a very certain self-wondering "When do I give in and when do I stand firm?" There are no recipes here. But there is story upon story. Dorcas has three daughters and three sons. And she has a voice encouraging, doubting, entertaining but never taking herself too seriously. Often slightly off-stride and with disarming humility Dorcas keeps finding resource in her life at home "Often the things we don't know we need come into our lives without knocking."
