What will you do if one night you found out that you were actually a prince? A long lost one at that. And you need to save the dying kingdom! That's what happened to our Hero. From being an ordinary student by day who lives a typical life as a boy, he was suddenly thrust into a different world of grandeur in which he becomes a reluctant hero by night. After surprising discoveries about himself, in the end he has to make THAT choice. Will he choose his fantasy of being a star? Or going back to reality-of being a normal student? Ultimately, his choice will determine the fate of the kingdom. An engaging fantasy book for kids, The Boy Who Dreamed is about Hero, an insecure student who longs to be popular like his peers. He finally realizes his dream when he sleeps at night wherein he is the star of the show. After unexpected surprises leading to his self discovery, ultimately he has to choose between fantasy or reality.
