## WHAT WENT WRONG?: THE CREATION COLLAPSE OF THE BLACK-JEWISH ALLIANCE

Free Press. Paperback. Condition: New. 424 pages. Dimensions: 8.8in. x 5.9in. x 1.1in. For nearly a century, blacks and Jews were allies in the struggle for civil rights and equality in America. Sometimes risking their lives, they waged battle in the courts, at lunch counters, and in the academy, advancing the cause of all minorities. Their historical partnership culminated in the landmark court decisions and rights legislation of the 1960s - achievements of which both groups are justly proud. But thereafter, black nationalist activists diverted the movement for civil rights into a race movement, distancing blacks from their traditional allies, and the old civil rights coalition began to disintegrate. Today, relations between blacks and Jews may be at an all-time low. Hardly a month goes by without fresh outbreaks of hostility and conflict. Controversial figures like Louis Farrakhan, Khalid Mohammed, and Leonard Jeffries fuel Jewish fears about a rising tide of black anti-Semitism - fears that were horribly confirmed for many Jews by the anti-Jewish riots in Crown Heights in the summer of 1991 - and blacks respond with bitter charges of Jewish hypocrisy and racism. The facts of the historic civil rights alliance have grown dim for both groups; indeed the very existence of the alliance has been questioned by some black and white historians who claim that Jews were never very important in the movement, while others argue that their interest was a limited and ultimately selfish one. Now it is even claimed that Jews financed the slave trade and conspired with the mafia to promote racist stereotypes in Hollywood. What went wrong between blacks and Jews? Historian Murray Friedman, also a long-time civil rights activist, takes this question as the starting point for the first authoritative history of black-Jewish relations in America. Friedman's book traces this long and complex...
