Start Talking: Intimacy (Paperback)

By Melissa and Neil Hague

Xulon Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sexual dysfunction in marriage is a big topic that no one wants to talk about and, while there are many long volumes on sex and intimacy, there are no books that were written with the express purpose of assisting couples in conversing about their sex lives. This book fills a much-needed void that is, perhaps, most appreciated by the counselors and pastors trying to facilitate conversation between a husband and wife about the more difficult sexual issues. In their own practices, Dr. Hague and Mr. Smith individually sought a resource that would help their patients have meaningful discussions about sex. When they conversed about mutual patients and how best to assist them, they found no publication that approached difficult subjects with the goal of opening lines of communication between husband and wife. It was out of a desire to assist their patients that this book was written. Neil and Dr. Melissa Hague have a passion for helping others to promote healthy marriages and families. Through her obstetrics and gynecological practice, Dr. Hague has the unique opportunity to see the frustration and strife that...

Reviews

The best book i actually read through. I have got read and so i am sure that i am going to going to read through yet again yet again down the road. You can expect to like the way the author compose this pdf.
