Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dans le premier livre, nous avons etabli l idee que la langue est un aspect essentiel de la condition humaine et vous a fourni les bases pour apprendre l anglais conversationnel. Dans le livre deux, nous developpons ceci en vous presentant a d autres aspects de la grammaire qui n ont peut-etre pas ete precedemment couverts. Encore une fois, nous nous trouvons a poser des questions comme Ou puis-je acheter des peintures d anglais ? Qu est-ce que Brexit signifie ? Ou Combien payons-nous pour regarder un match au Stade de Wembley ? Nous n avons peut-etre pas les reponses, mais Nous pouvons certainement vous aider a poser les questions, de la maniere la plus simple. Comme son predecesseur, ce livre contient un lexique de certains des mots les plus utilises dans la conversation quotidienne d anglais. Il utilise les anciennes techniques d apprentissage de la repetition et de la memorisation, dans le but de conditionner le cerveau pour apprendre l anglais le plus rapidement possible. En outre, une fonctionnalite auxiliaire appelee mode histoire est incluse pour aider le lecteur dans le but de tester la comprehension. Enfin, il convient de noter que, meme si ce livre aidera a une reconnaissance visuelle et a une comprehension des mots en langue anglaise, les eleves doivent egalement comprendre leurs prononciations appropriees. Pour ce faire, il y a un audiolaire qui sera disponible, afin de permettre des cours d ecoute. De la belle ville de Londres, de la ville des autobus routiers a deux etages, des cabines telephoniques rouges et de tous les London Eye, nous vous presentons, La Maniere Simple D apprendre L Anglais 2.
