THE MINISTRY OF CANTORS (PAPERBACK)

Liturgical Press, United States, 2016. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. The Ministry of Cantors has long been a valuable resource for music ministry formation. This new edition includes valuable insights from *Sing to the Lord: Music in Divine Worship*. The revised edition addresses more fully the distinction between the roles of psalmist and cantor, suggests further concrete ways a paschal mystery spirituality must undergird both roles, and offers practical insights for helping one discern the call to be a cantor. New content also explores the power of the psalms to transform those singing into the kind of persons God is calling them to be. As with the first edition, this new book does not present the how-tos of vocal technique, warm-up exercises, diction principles, etc. Instead, *The Ministry of Cantors* focuses on what the cantor is doing beneath vocal technique: surrendering self to the dying and rising of the paschal mystery. The aim of the book is to help cantors delve more deeply into who they are and who they are becoming through their ministry: the Body of Christ pouring self out in voice, breath, and prayer for the life of the world.
