Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

AFRICAN WOMEN'S REPORT

Paperback. Book Condition: New. Not Signed; The African Women's Report 2009 is based on the results of piloting the African Gender and Development Index (AGDI) in 12 African countries across the five subregions of the continent. Making a case for countries to invest in sex disaggregated data collection, the outcomes provide an indication of the general situation of women across the continent. The results of the AGDI trials demonstrate that countries have shown commitment to international, regional and subregional treaties affecting women through overwhelming ratification. The report confirms existing MDG status reports which indicate remarkable progress being made with respect to MDG2 on universal access to basic education. With the aid of systematic collection of sex aggregated data, the report calls for enhanced commitment towards accelerated implementation of gender equality as outlined in frameworks such as the ICPD 15, Beijing 15, the Convention of the Elimination of All Forms of Discrimination Against Women and the African Women's Protocol. book.
