Contento de Semrik, United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Uno 1 A small meteorite lands in Manhattan and begins to grow. Inside are delegates of the planet Uno 1, bringing an astounding and mind shattering message to the people of Earth: The Earth is on the brink of extinction. The Galactic High Council of Intelligences has decided to help humanity by providing the means to transfer all of the Earth s inhabitants to an alternate planet in another solar system. There they will stay for thousands of years until the Earth can be rehabilitated and humanity learning its lesson of preservation will be able to return. The passage into planet Uno 1 provides new and exciting opportunities for the future but at a cost of forsaking humanity s collective memories and people s their past lives. We are not alone in the universe; there are higher beings that watch over us. Once we as humans recognize our inner powers we can ascend to higher planes of existence. Nava Marko, an architect and a science fiction buff lives in Ramat Hasharon, Israel. She has found her inner calling by unlocking her creativity as a writer. She is working on her second book, soon to be published.
