Mr. H. spends his time at his laptop writing books while Nana runs the house and supplies timely witticisms. So Cole and Kellie decide to have an adventure by visiting Pearl Harbor but they have to do it by using their God given imaginations. This is where the image Angel comes in. He shows them how to go back in time to December 7, 1941 and sniff out Pearl Harbor so they can educate young people who have been dumbed down in school. (Nana s words) This book is both humorous and educational. It is perfect for the young and the young at heart.
