Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Part of the Nantchev s Nuggets of Knowledge series Pure actionable knowledge. NO fluff. NO theory. Just Results and Success. In this book, I talk about how to have a healthy relationship and approach to money. I explain a little about money s purpose and how it is a store of value, how it s made- delving briefly into the history of money. I talk about how to achieve money mastery by learning about these 11 principles. These allow you to have control over your money and see it with a healthy perspective, whilst enlightening you about some different approaches and philosophies about money. Some that may change your life These principles teach you how to manage your money and see it differently, thus teaching you how to handle money and how to foster a relationship with it. Money is not the root of all evil, 1 Timothy 6:10. Money allows you to do a lot of things, and when you seek inappropriately you do not fall victim. The only power that money has over you is the power you give it. It is a force of nature, and like the soil and air, it has no opinion of you. Being rich takes the sting out of being poor. No one truly wants to be poor and struggle through life Having money is a result of solving problems for people. This is what business and entrepreneurship is all about. your attitude in life determines your bank account. The better your attitude is towards money, the more you ll have of it. The more you learn, the more you earn. You cannot become rich if you are not too focusing your...
