World Scientific Publishing Co Pte Ltd. Hardback. Condition: new. BRAND NEW, Top the TOEFL: Unlocking the Secrets of Ivy League Students, Kaiwen Leong, Elaine Leong, Top the TOEFL is a TOEFL book like no other. It recognizes an essential key to the problem: students who struggle with the TOEFL have problems mastering English. Hence, while other TOEFL books teach strategies with long wordy explanations that hardly make sense to the average student, Top the TOEFL focuses on teaching students in the most intuitive way possible: examples. Each unit is systematically broken down to make it simple for any student to Top the TOEFL. First, "Simple Steps" are condensed at the outset for easy reference. Next begins "Elaboration with Examples" - a section where the "Simple Steps" are put into practice. The unit concludes with the "TOEFL Trainer" which divides exercises according to the "Simple Steps", allowing students a chance to directly put the strategies to practice rather than just throwing students into the deep end by providing a full set of TOEFL practice tests.
