101 FRUITCAKE QUOTES OF BORIS JOHNSON MP: NEW EDITION (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. 101 hilarious and outrageous quotations of Boris Johnson who reflecting on his political career as an entertainer stated, I knew my life would be a farce. Yes and what better outlet for the court jester, than as a politician serving the upper echelons of polite society. This book contains true and precise quotes from the presiding Mayor of London; known for his truth telling about his aspirations, who said, Who would elect a prat who gets caught in a zip wire! I would elect any politician who tells the truth and nothing but the truth. Well sourced and researched, this collection contains only the juiciest and most candid quotes from Boris Johnson s inverse Robin Hood role at Eton public school to his rise in prestige at Oxford University and his days of inventing stories as a journalist. Then, to the dizzy heights of a member of parliament and to his present, pantomime role as the eccentric and sharp witted Mayor of London. The commentary and summary of Boris s public and private life are from a libertarian psychotherapist s perspective, with analysis of Johnson s personality and his political passions to be the next leader of the Conservative party and ultimately Prime minister of the United Kingdom. Boris s childlike thirst for invincibility will be quenched when he finds Elvis on Mars and Boris is anointed, King of the World.
