Women are expected to take care of the home-and everyone in it. And being a stay-at-home mom is often a thankless job, except on Mother s Day. That s why Meerabelle Dey believes every mother who desires to find fulfillment in a professional career should do just that. The Secrets to Success for the Working Mother shows you how to be a great household manager and have a successful career, without ever having to hire a nanny. Dey believes the skills you gain as a mother-running a home, organizing schedules, managing conflict, handling emergencies, knowing where every missing sock may be hiding-prepare you for the day-to-day challenges of any job. This book is filled with how-tos (such as developing a plan to succeed in both roles) and encouragement. In a sweet chapter entitled Don t Bake Cookies (Unless You Feel like It), Dey stresses the importance of not feeling pressured to meet societal norms of what it means to be a mother. If you ve been contemplating getting a job in addition to your role as Mom, this book will guide you. If you re already a working mother looking for advice on how to manage it all, Dey s secrets are yours.
