However, you will most likely enjoy reading them in order. Happy Reading! Fairy tales aren't just for princesses. Superstar Alex Jackson steers clear of any emotional involvement after a series of life-changing events turned his life, and heart, inside out and upside down. Broken and deeply scarred, he has sworn to remain single and emotionally aloof to all women. Physiotherapist Violet McKenzie is distrustful of men-famous men being at the top of her list for good reason. She's learned a thing or two about them and has made a conscious effort to stay as far away as she possibly can. Until sexy Alex needs her professional assistance after a stage mishap and she becomes his personal physio. Violet has sworn off love, but when Alex's hot kisses keep her up at night longing for more, she wonders if she can remain steadfast to her personal promise to never fall for the wrong guy again. Can a superstar and an ordinary girl have a happily ever after, or is that only reserved for the songs Alex sings? Praise for Joanne Dannon - A sexy superstar hero who has it all except the love of the right woman and an ordinary working girl whose job propels her into the heart of the hero's glamorous life....
