He wanted my innocence. He wanted to own me. I just wanted to be his. JACKSON I wanted Megan from the moment I first saw her, and nothing would keep me from her. I could have been called a bastard for knowing her father would fail in paying me for a mutual business agreement, for knowing I would take Megan as payment. But she was mine and in my world, when I wanted something, I took it. And I wanted her. She was bought and paid for, collateral damage when her father failed to uphold his end of the deal. They all think it's only for a week. They're wrong. I'm keeping her. MEGAN My father couldn't fulfill a debt to Jackson King, but Jackson didn't seem to mind, not when he got me as his payment. Having been attracted to the brutal businessman for years, I couldn't help but feel arousal and trepidation at what he had planned. He wanted me for a week, to do with as he pleased. He wanted my innocence. But I knew this was more than just repaying a debt. This was about Jackson wanting to own me, not just my body, but every part of who I was. And the depraved part about it all was the fact that I wanted to give everything to him. I wanted to be his. WARNING: This is fast and hard ride, featuring an over-the-top Alpha who fights dirty and plays dirtier. It's a safe read, but it's short, filthy and so hot you might need a nice, big, long, cool drink to get you through to the happy ending.
