

Transvesical Prostatectomy in Two Stages: With Remarks Upon the Pathology and Clinical Phases of Prostatic Obstruction (Classic Reprint)

Filesize: 1.01 MB

Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ida Herman)

TRANSVESICAL PROSTATECTOMY IN TWO STAGES: WITH REMARKS UPON THE PATHOLOGY AND CLINICAL PHASES OF PROSTATIC OBSTRUCTION (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Transvesical Prostatectomy in Two Stages: With Remarks Upon the Pathology and Clinical Phases of Prostatic Obstruction Since we have adopted the transvesical operation for the relief of urinary obstruction due to changes in the prostate, we have been able more fully to study the so-called living pathology of the condition inasmuch as the vesical outlet can be studied with the prostate in situ, the nature of the obstructing mass determined and the resultant deformities of the bladder studied. The removal of prostates in one piece in many cases and the interurethral enucleation in others has provided us with new material for extending our observations concerning the gross pathology of the disease. Studying this last series of cases we are led to disagree with some of the more recently advanced theories concerning the pathology of the disease. In presenting this subject, therefore, we first offer our observations on the points in question. We do not reiterate much of the work which has already been published by Dr. Lewis S. Pilcher and myself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
