Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Countless centuries ago, Mars was a world very much like the planet earth. Mars had lush green lands, oceans, rivers and alien life, a race of aliens with the faces of humans and elongated skulls. The inhabitants of mars seeded the earth and watched the seeds of human civilizations take hold. Then, teachers were sent from mars on flying disks to live among the people of the earth and to teach them. They were considered Gods to the people of the earth. These teachers brought here from Mars taught civilizations such as the Egyptians and the Mayans science, math, astronomy, and taught them about building and architecture. One teacher from Mars also ruled for a time in Egypt as Pharaoh. The flying discs brought their advanced machines and technology to assist in building the great pyramids, and to help ancient civilizations all over the world to make advancements and steady progress. When asteroids began to strike and destroy the planet Mars, the inhabitants left behind remnants of their own world and migrated to the earth only to discover that a great rebellion against those they brought to teach and live among the people had taken place. It was after the coming of Jesus Christ and the beginning of Christianity that people turned from the alien teachers and saw them as outcasts and feared them because of their appearance. A holy war ensued to cleanse the earth of the alien elongated skull race of teachers who came from Mars to help and live among the people of the Earth. Those who left the planet mars went to the south polar region of the earth and built cities inside the earth for themselves and their...
