Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE PRINCESS AND THE WOLF

[DOWNLOAD](#)

Mette Ivie Harrison Publishing. Paperback. Condition: New. 316 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. King George and Queen Marit have lived sixteen years after the mysterious disappearance of their daughter Princess Ina. While they continue to look for her, they have adopted Dagmar as their heir and she is betrothed to Lord Morlieb, from a neighboring kingdom. But the king's horse and other animals have become wild and feral, attacking villagers, and there is a strange wolf in the forest near the castle who looks like he has lived for a thousand years. Soon, the tolerance for animal magickers that King George has spent his whole reign to protect is gone and only Princess Dagmar can save it. One of my favorite authors. Orson Scott Card Praise for *The Princess and the Hound*, the first book in this series: Powerful, surprising, moving, and deep. . . *The Princess and the Hound* is a classic. It defies rules and formulas. It does nothing in the way that other fantasies have taught us to expect. Yet every rule-defying decision by Harrison is exactly right, leading to a breathtakingly right ending. Orson Scott Card Harrison's writing style is most evocative of Robin McKinley but still all her own. Readers of fantasy, animal stories and subtle romances will enjoy this novel and hope for more from this skilled author. Fans of Robin McKinley, Patricia McKillip, Franny Billingsley, Cornelia Funke and Sherwood Smith should add this to their must-be-read list. Heidi Anne Heiner, *SurlaLune Fairy Tales* Not since *Tale of Desperaux* have I opened a book and wanted to read aloud so much. In her prologue Mette Ivie Harrison evoked exactly the tone and voice of a classic fairy tale in the oral tradition. . . [interactivereader.com](#) With the language and feeling...
