

## An Introduction to the Law on Financial Investment

By Iain MacNeil

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, An Introduction to the Law on Financial Investment, Iain MacNeil, Since the publication of the first edition of this book in 2005, the world of financial investment has experienced an unprecedented boom followed by a spectacular bust. Significant changes have been proposed and in some cases implemented in areas such as the structure of regulation, the organisation of markets, supervision of market participants and the protection of consumers. The second edition takes account of these developments, integrating them into an analytical framework that enables the reader to develop a critical overview of the role of general legal rules and specialised systems of regulation in financial investment. The framework focuses on the role of contract, trusts and regulation as the primary legal influences for financial investment. The first part explores the relationship between investment, law and regulation. The second part examines the nature of investments and investors, both professional and private. The third part discusses the central role of corporate finance and corporate governance in linking investors with enterprises that require external capital. The fourth part examines the nature, operation and regulation of markets and the participants that support the functioning of...
