

Vladislav Khodasevich: Selected Poems (Hardback)

By Vladislav Khodasevich

Overlook Press, United States, 2014. Hardback. Condition: New. Bilingual. Language: English . Brand New Book. Born in 1886, Khodasevich came of age among the famed avant-gardists of Russian poetry, but unlike the major modernists of the age--the Symbolists and the Futurists among them--he sought inspiration neither in esoteric doctrines, nor in grand pronouncements. Instead, he was determined to find meaning in the world, and each of his poems reflects this tireless, often heroic, sometimes deeply bitter engagement with his surroundings. An innovative classicist in an era taken in by relentless experimentation, Khodasevich was hailed by many of his peers in the Soviet Union and Berlin, including Vladimir Nabokov, who wrote that Khodasevich would remain the pride of Russian poetry as long as its last memory lives. Brilliantly translated by Peter Daniels, and with a richly informed introduction by Michael Wachtel, Selected Poems is a stunning confirmation of that assessment.

Reviews

It is one of my personal favorite pdf. This really is for all those who statted there was not a really worth looking at. I realized this book from my dad and i encouraged this pdf to understand.

-- **Katlynn Haag**

The most effective publication i at any time go through. This is certainly for all those who statted that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
