The history of the Confederacy, when h shall be fully and fairly written, will appear the story of a dream to those who shall read it, and there are parts of it at least which already seem a nightmare to those of us who helped make it. Founded upon a constitution which jealously withheld from it nearly all the powers of government, without even the poor privilege of existing beyond the moment when some one of the States composing it should see fit to put it to death, the Richmond government nevertheless grew speedily into a despotism, and for four years wielded absolute power over an obedient and uncomplaining people. It tolerated no questioning, brooked no resistance, listened to no remonstrance. It levied taxes of an extraordinary kind upon a people already impoverished almost to the point of starvation. It made of every man a soldier, and extended indefinitely every mans term of enlistment. Under pretense of enforcing the conscription law it established an oppressive system of domiciliary visits. To preserve order and prevent desertion it instituted and maintained a system of guards and passports, not less obnoxious, certainly, than the worst thing of the sort ever devised by the most paternal of despots. In short, a government constitutionally weak beyond all precedent was able for four years to exercise in a particularly offensive way all the powers of absolutism, and that, too, over a people who had been living...
