

## Andrew s Brain (Paperback)

Filesize: 3.49 MB

### ***Reviews***

*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.*

*(Prof. Vanessa Smitham V)*

## ANDREW S BRAIN (PAPERBACK)

Random House Trade, 2014. Paperback. Condition: New. Language: English . Brand New Book. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ST. LOUIS POST-DISPATCH, SLATE, AND THE TELEGRAPH This brilliant novel by the author of *Ragtime*, *The Book of Daniel*, *Billy Bathgate*, and *The March* takes us on a radical trip into the mind of a man who, more than once, has been the inadvertent agent of disaster. Speaking from an unknown place and to an unknown interlocutor, Andrew is thinking, Andrew is talking, Andrew is telling the story of his life, his loves, and the tragedies that have led him to this place and point in time. As he peels back the layers of his strange story, we are led to question what we know about truth and memory, brain and mind, personality and fate, about one another and ourselves. Probing, mischievous, and profound, *Andrew s Brain* is a singular achievement in the canon of an American master. Look for special features inside. Join the Random House Reader s Circle for author chats and more. Too compelling to put down . . . fascinating, sometimes funny, often profound . . . Andrew is a provocatively interesting and even sympathetic character. . . . The novel seamlessly combines Doctorow s remarkable prowess as a literary stylist with deep psychological storytelling pitting truth against delusion, memory and perception, consciousness and craziness. . . . [Doctorow] takes huge creative risks--the best kind. --USA Today *Andrew s Brain* is cunning. . . . [A] sly book . . . This babbling Andrew is a casualty of his times, binding his wounds with thick wrappings of words, ideas, bits of story, whatever his spinning mind can unspool for him. . . . One of the things that makes [Andrew] such a terrific...
