Feverbee, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lead Well: Everyone is born with the capacity to lead. In fact, research proves that leadership can be learned, practiced, and mastered by anyone. From the way you lead in your own life to taking the lead on your projects, in your work, and with your teams, everyone is in a position to master the mindset and skills required to lead well. The best news for those who lead well is that it's proven to deliver greater well being, happiness, and success for you and your colleagues. The concepts, reflections, and worksheets in this workbook provide the tools you need to explore and connect who you are at your best and what you care about most with how to take the lead in making a difference in ways that are meaningful to you and that have value in the world. Those who practice this leadership approach report greater satisfaction, engagement, and enjoyment, even in the midst of working hard and facing the inevitable challenges of work and life. As you put these tools to work, you'll find you're able to master the mindset and skills that are essential to achieving success and well being in today's highly competitive and rapidly changing world. START has synthesized the most powerful research in organizational effectiveness and leadership to create a 5 step process that can be productively applied at every level of management. We applied it - day one. It works. VP Product Development in Tech, Los Angeles START provides a codified leadership language and process that has maximized my effectiveness and efficiency professionally and personally. START serves as an operating system for leadership that everyone can - and should - know...
