Stoneacre, Kent: National Trust Guidebook (Paperback)

By Matt Shinn, National Trust

NATIONAL TRUST, United Kingdom, 2001. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. A medieval yeoman s house restored . Saved from destruction by Arts and Crafts scholar, Aymer Vallance, this medieval hall-house isn t quite what it seems. Starting life around 1480, Stoneacre was built from the ragstone quarry in which the house sits. Yet when Arts and Crafts scholar and disciple of William Morris, Aymer Vallance, bought Stoneacre in 1922 his wife remarked that it was `practically a ruin . After years of neglect, Stoneacre had fallen into a state of disrepair. Together with his architect, Marshall Harvey, Vallance set about restoring the dilapidated house, and adding to it with parts from other local Tudor buildings and his own stained glass window designs. This guidebook tells the full story of this special place, from its origins as a timber-framed yeoman s hall-house through to its 1920 s restoration; a place that has continued to surprise and delight visitors since it was left to the National Trust nearly a century ago.

Reviews

Excellent eBook and helpful one. This can be for all who statte there was not a worthy of studying. You will not feel monotony at at any moment of your respective time (that's what catalogs are for regarding when you request me).

-- **Princess McCullough**

Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.
