Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In life, many often wander around unable to find their purpose. Some are unable to find their purpose because of their past; others lack motivation and drive that it takes to progress to the next level. Just because you have been at your lowest does not mean you do not have the ability to change it. Relationships are about growth. I firmly believe that bad experiences do not happen, but there are only experiences that the divine power, God, allows you to have in order to learn, teach, and inspire ourselves, as well as those that we interact with. Divorce or a breakup is meant to be a defining experience not a death sentence. From coming to terms with the decision of getting a divorce to redefining yourself; my goal is to provide you with the tools to grow from this experience and begin to live your best life. Life After Divorce can be such a beautiful beginning.
