

The Marriage Makeover: Finding Happiness in Imperfect Harmony

By Joshua Coleman

St. Martin's Griffin, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Psychologist Joshua Coleman has the power to single-handedly slow the rate of divorce." -The Cleveland Plain Dealer "This is a radical book. It challenges some of the most dearly held American beliefs about marriage and long-term relationships. And it offers the astounding idea that having a marriage characterized by such 'imperfect harmony' can be part of a satisfying, happy life." - from the foreword by Julia M. Lewis, Ph.D. Co-author with Judith Wallerstein, Ph.D. and Sandra Blakeslee, The Unexpected Legacy of Divorce "Psychologist Coleman steps back from the traditional assumption that spouses must find great personal satisfaction within their marriage and examines alternatives-apart from divorce-for those with children who are experiencing problems. Recommended for academic and public libraries!" -Library Journal "Coleman handles his subject with great care." -The Chicago Tribune "Coleman's words are a welcome antidote to unrealistic portrayals of domestic bliss." -Publishers Weekly "This book is a great contribution to the literature. It will significantly help people think carefully and thoughtfully about their marriages. This book offers clear and concrete help navigating these challenging and important questions that plague so many couples and individuals." ...
