EASTERN STANDARD TRIBE

To download **Eastern Standard Tribe** eBook, you should follow the hyperlink under and download the file or have accessibility to other information which are in conjunction with EASTERN STANDARD TRIBE book.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Eastern Standard Tribe, Cory Doctorow, Now published for the first time in the UK, the second visionary novel from the acclaimed author of LITTLE BROTHER. Art is an up-and-coming interface designer, working on the management of data flow along the Massachusetts Turnpike. He's doing the best work of his career and can guarantee that the system will be, without question, the most counterintuitive, user-hostile piece of software ever pushed forth into the world. Why? Because Art is an industrial saboteur. He may live in London and work for an EU telecommunications mega-corp, but Art's real home is the Eastern Standard Tribe. Instant wireless communication puts everyone in touch with everyone else, twenty-four hours a day. But one thing hasn't changed: the need for sleep. The world is slowly splintering into tribes held together by a common time zone, less than family and more than nations. Art is working to humiliate the Greenwich Mean Tribe to the benefit of his own people. But in a world without boundaries, nothing can be taken for granted - not happiness, not money, certainly not love. Which might explain why Art finds himself stranded on the roof of an insane asylum outside Boston, debating whether to push a pencil into his brain.
